Pre-meeting - 10-minute allocation for the Police and Public to speak:

Member of the Public - Chris Astell - Kirton Parish Councillor: Could you investigate or explain why the drain under the Clatterdyke Road is always blocked? And one that goes under the Middlegate west also?

Answer Cllr Ashton: They aren't maintained by the local drainage board, they need to be maintained by the people who own the land by Middlegate west on the left, we will find out who owns it. Dennis's own the land by the bus shelter so we will approach them and ask if they can clean the drain out. We will approach the new owner of the land at Clatterdyke and ask him.
