Cllr Burton commented he had received a phone call from a resident of Millfield Lane West, in regards to vehicles churning up their front. Cllr Burton explained that was not a Parish Council issue it is a matter for Highways.

Cllr Austin commented that she had in fact met with the Highways manager and visited Millfield Lane West. This is very difficult situation as you cannot stop access. Cllr Austin also comment that the road closure in Kirton to stop the memorial flooding with impact the traffic in Frampton. Still waiting for a start date but this will possibly be March, unsure on how long these works will take, it could be a couple of months. Cllr Watson commented that he hopes Frampton Parish Council were aware of the Boston Borough Council grant of £1000 for each Parish Council. Applications have until March to be submitted and funds need to be spent within twelve months.

Cllr Deane commented that the Middlegate Road West junction with A16 is not wide enough for a bus route, coming from Kirton the visibility is very poor when turning left. Would it be possible for a road sign to signal narrow road? Chairman resolved for a letter to be sent to the Highways Department highlighting the issue and the need for signage.

Cllr Hladun commented that he was very pleased the new railway gates had now been fitted at Hubbert's Bridge. Cllr Hladun also commented that after a discussion with the residents the dog barking had now calmed down. Cllr Hladun also raised concerned that the pot holes at the beginning of Cuthberts Lane coming from Church

Green Lane were very bad and also on Sandholme Lane pot holes were very bad. Clerk to submit onto Fix My Street.

Cllr Cooper commented that the road closure by the church for gas works was being diverted round Wyberton. This is totally unnecessary as a shorter route could be used. Cllr Cooper also commented that Bannister's Farm had been clearing mud from Sandholme Road from harvesting Sugar beet and now there was a lot of mud on verges.

Cllr Burton commented that there was a rise in fly tipping in Frampton, Boston Borough Council Fly Swat team should be congratulated on the speed in which it is cleared. Clatterdyke had 18 bags or more dumped. Today on Millfield Lane East a suitcase full of clothes had been dumped. Cllr Burton would like to see CCTV for fly tipping areas installed but demand is very high.
