

FRAMPTON PARISH COUNCIL

ASSET INSPECTION 13/11/2025

	DESCRIPTION	STATE OF REPAIR
1	WAR MEMORIAL	The war memorial has been well maintained, including grass/flower area and metal fencing surrounding it. It is great condition and has no risk to the public.
2	NOTICE BOARD 1	The noticeboard at FVCH is in good working order, it stands sturdily and is of no risk to the public. The paint is chipping and the board could do with sanding and repainting in the near future.
3	NOTICE BOARD 2	The notice board by the bus stop is also in good working order, standing sturdily and no risk to the public. It is a little rundown with wear and tear and slightly stiff to put pins in again could do with sanding and repainting in the
4	BEACON BRAZIER	The beacon brazier is in excellent condition, stable in the ground and no risk
5	MEMORIAL SEAT	The memorial bench is in good working order, stable to sit on with no defects, No risk to the public.
6	CIVIC REGALIA	The Civic Regalia is being safely stored at the Chairmans home.
7	GIBET NOOK PLAQUE	The Gibet Nook Plaque is on a post which is secured in the ground. It is of no risk to the public. The wood holding the plaque has been recently restored.
8	SPEED MONITOR UNIT	The speed awareness monitor is in good working order, securely attached to a metal post and of no risk to the public.
9	MILESTONE	The Milestone is in good repair due to recently being repaired. It is of no risk to the public.
10	LAPTOP LENOVO	Laptop is still in working order however has now been replaced due to age and slow processing speed, it is still kept for files.
11	LAPTOP DELL	This laptop is in great working order and files secured as per guidelines.
12	PRINTER	N/A with old clerk
13	MILLSTONE	The millstone is secured by a support at the back and is stable. No risk to the public.
